Welcome to MinnPar

Your Quality Parts Source

Since 1982, MinnPar has supplied customers from around the world with Genuine, OEM Grade and now After-Market parts. Our highly experienced technical support team helps customers troubleshoot problems and assists in selecting the right parts for the job.

MinnPar is all about providing options and giving you cost effective solutions for your equipment. We know you have equipment used in a variety of applications and conditions. If you want Genuine products, MinnPar has thousands in stock, the identical parts you can buy from an equipment dealer. If you want OEM grade, normally identical and made by the same manufacturer but not in the Genuine packaging, we have those parts as well offering you savings. If you want high quality parts but at the best value, MinnPar now has literally millions of dollars of the highest quality After-Market parts in stock for immediate delivery. Before we put the MinnPar brand on our parts, we personally visit each and every supplier to ensure our strict quality standards are met. If you want the best, buy MinnPar!

Do like thousands of other customers do from around the globe, explore our web site. On it you will find hundreds of technical catalogs, parts books all with the ability to order on-line at your pace. You can order from MinnPar 24 x 7 x 365 with parts in stock to ship the same day with confidence. So give us a try, place your order, track your shipment or download an invoice at www.minnpar.com.
